Dear Friend of Camp Findley,

The Friends of Findley ministry team has a great opportunity to make a difference in the lives of campers and people on retreat starting this May. Several building and facilities projects are planned that will enhance existing ministries and create some new ones. The purpose of this letter is to ask you to partner with Camp Findley prayerfully and financially as we resource these projects during the May Work Weekend (May 14-16).

Here are the projects (I'm sure you'll feel the excitement as you read on):

- **Creating a new Treehouse** – the former Treehouse in the woods was built by hand and has served to create lasting memories for 35 years. Due to its age, we had to remove the Treehouse for safety reasons. That gave us a great opportunity to build a brand new Treehouse with modern materials, better accessibility, more fun elements, a roof, and extra safety features. Cost estimate to build this new Treehouse is \$1,200 and will be built by volunteers skilled in construction.
- **Finishing the Lower Picnic Pavilion** – the newly remodeled Lower Picnic Pavilion is beautiful. A new electric service was installed, a new ceiling put up, and new metal soffits and trim. This is in addition to the new concrete floor and picnic tables. The only thing left is new lighting fixtures. The estimated cost is \$300.
- **Expanding the Electrical Service at the Waterfront** – imagine concerts, worship services, lights in the boathouse, and much more! Outreach to the local community and summer fun require that we install electrical service to several spots at the waterfront this May. All electrical lines will be underground so the beautiful view of the lake is not impeded. Cost for this project is \$1,000.
- **Lots of other projects** – Many other projects include painting the new portion of the Bell Tower, staining decks and cabins, installing steps on the front of the Staff Cabin, regraveling the Upper Pavilion, and much more. An additional \$1,000 is needed for these important projects.

The total cost estimated to provide materials for the over 150 volunteers that will come to Camp Findley May 14-16 is \$3,500. If you can be part of the team that helps to resource these projects, please prayerfully consider a gift to Friends of Findley. Checks can be sent to Camp Findley, c/o Friends of Findley, 2334 Sunnyside Road, Clymer, NY 14724 marked for Friend of Findley. Your help will provide some great improvements for all who come to Camp Findley to meet Christ and grow in their faith.
